Half-Zip  
Vest

Regular

Ultimate

Model # C01FOHZ (Black)  
Model # C01FLHZ (Navy Blue)

Our Half-Zip vest constructed from Nomex® Polar Fleece provides warmth without the extra added weight. It's highly breathable and provides comfort in working environments without restricting movement.

- Constructed using DuPont™ Nomex® brand fibers
- Vest style with extra high collar
- Two hand warmer pockets
- 24 cal/cm<sup>2</sup> (Ebt)
- 13 oz /lyd. black Nomex®

Model # C23FO05 (Black)  
Model # C23FL05 (Navy Blue)

Our regular fleece jacket is very popular for cold weather protection because it's insulated and dries quickly. The jacket has a full zipper front and draw string hood for added protection and warmth.

- Full flame resistant construction including zippers, thread, reinforcements & pockets
- Attached hood
- Two hand warmer pockets
- 24 cal/cm<sup>2</sup> (Ebt)
- 13 oz /lyd. black Nomex®

*Also available without hood*  
Model # C23FO01

Model # C24FO01 (Black)  
Model # C24FL01 (Navy Blue)

Our Ultimate fleece jacket is generous in all areas allowing a full range of motion. The fleece jacket is designed for any cold weather work environments. The multi-position zippered pockets help you keep your gear organized and safely secured.

- Two hand pockets, left vertical chest pocket
- Extra high collar for added protection
- Reinforced Nomex® chest and elbows
- 24 cal/cm<sup>2</sup> (Ebt)
- 13 oz /lyd. black Nomex®

PMMI's newest line of premium Nomex® Polar Fleece garments. Engineered for comfort, warmth and quality.
